

# EVIDENCE

Is there independently-verifiable evidence to support the conspiracy claim?

# FALSIFIABILITY

Can the conspiracy claim be tested and potentially proven false?

# TENTATIVENESS

Are the conspiracy claims  
open to revision in light of  
new evidence?

# PLAUSIBILITY

Does the conspiracy claim explain things in the most straightforward manner, so that the claim seems genuinely probable?

# PEER REVIEW

Has the conspiracy claim  
withstood critical  
examination by experts in  
the relevant field?

# EXPERT

# CONSENSUS

Do the majority of relevant  
experts embrace the  
conspiracy claim?

# COHERENCE

Does the conspiracy claim  
make logical sense and align  
with other well-established  
knowledge?

# ABSENCE OF BIAS

Is the conspiracy claim  
unbiased and independent  
of any agenda or ideology?
